

### **President's Corner**

Many in our community know us for our annual Lutefisk Dinner. It is an anticipated and traditional event. For our part as lodge members it speaks of our commitment and camaraderie. With those thoughts I wish to thank each and every one for their participation in our 36th Lutefisk Dinner. I extend a special thank you to John and Rosalie Everson, Alexandria and Ryan Augustin, and Jordan Berry for helping Inger Froyland with the Butikken. Thank you, Marian Erdal, for all your time spent contacting lodge members to volunteer work and/or food.

Thank you to Stein Fjell's Nominating Committee members JoAnn Kison, Rick Bilstad, Rosalind Larsen, and Ginger Ketels for all their time and effort filling our officer vacancies. Membership participation is essential to our wellbeing and future. Thank you to the volunteers for accepting these offices.

**Financial Benefits Counselor**

The interest in our new Chronic Illness Rider has been growing. No wonder. As many of us have experienced the monthly cost of facility care or even home care for someone with chronic illness is staggering.

We have a rider to help in these situations that can be added to a new or existing Nordic Policy—our universal life policy.

It provides monthly payments if the insured is under medically prescribed long term care. The benefit may be used for at home care or nursing home stay.

Each monthly payment will be 2% of the death benefit amount of your policy. The elimination period for this rider is 60 days.

**SON Silent Auction**

At our November meeting we will be having a silent auction. The purpose of the auction is to raise money for the Sons of Norway Foundation which awards scholarships and grants. Members are asked to donate items that other members might like to purchase. Items can be new or gently used. Please bring them before 7:00 p.m. to place them on tables. We will have bidding cards available to use. It's good to list the value as well as a minimum bid. Hopefully everything will sell. Any item that doesn't sell should be taken home by the owner. Also, bring some cash in case you find something that you would like. During the social time would be a good time to make bids. Put a bid on the card and it may become yours. At the end of the meeting we will announce the winning bids. Gary will be taking payments after the meeting. Hopefully, we can send a significant contribution to SoN.

She has won several blue ribbons in the Northern Colorado Carving Shows and was asked to teach at the Woodcraft stores in Loveland where she helps others fall in love with the art of woodcarving. She currently studies with Master Sculptor J. Christopher White. She would like to credit 2M Photography By Monique Mosher for her images in this concert.

\*\*A wonderful article about Bill Nesse and his art of guitar making was in the Greeley Tribune on September 5th. The whole article can be found in the Greeley Tribune Archives.
